SKILLS

- **Java**
- **HTML, CSS, JavaScript**
- **C programming**

EDUCATION

- Information Science and Engineering| SJB Institute of Technology, Bangalore
  CGPA: *9.83| (Sep '23-June '27)*
- XII (State) | Sri Kumaran Children's Home Composite Junior College, Bangalore
  94.33%| 2023

EXPERIENCE

- **Web development Intern | SkillCraft Technology** *(July '25-Aug '25)*

  Developed responsive websites using HTML, CSS, and JavaScript.
  Worked on real-world projects, including a Tic-Tac-Toe game and a To-Do web app.
- **Graphic designer Intern| Brand Elite** *(July '25)*
  Designed marketing creatives, social media posts, and brand assets using Canva.

ACADEMIC PROJECTS

- ***Student Record System (Mini Project – DAA)***
  Developed a console-based application to store, manage, and retrieve student academic records efficiently. Implemented core functionalities such as adding, deleting, searching, and updating student details using efficient data structures and algorithms. Focused on optimizing search and sort operations with algorithms like QuickSort to ensure faster data retrieval and organization.

- ***ATM Machine System (Mini Project-Data Structures)***
  Developed a C++ console-based ATM simulation to perform banking operations such as balance inquiry, cash withdrawal, deposit, and PIN verification. Utilized data structures like arrays, queues, and linked lists to manage user accounts and transaction history efficiently.

POSITION OF RESPONSIBILITY

- **Class Representative, SJB Institute of Technology**
  Served as the main point of contact between faculty and students, ensuring smooth communication and coordination of academic activities.

ACHIEVEMENTS / HOBBIES

- Participated in ***InnovateX*** **Ideathon** conducted at SJB Institute of Technology, presenting an innovative solution for improving the existing contract farming arrangements.
